**ATTAR OF ROSES**

A full bodied snuff delightfully flavoured with Bulgarian Attar of Roses. A perfect after-dinner snuff.

**CARDINAL MENTHOL**

A medium strength snuff flavoured with a well balanced blend of Menthol and Eucalyptus oils.

**CINNAMON**

A fine silky textured snuff of medium pungency flavoured with pure cinnamon oil to give a clean sharp taste.

**CAFÉ ROYALE**

Especially manufactured from a blend of North American and Oriental tobaccos, especially treated before grinding to release its natural aroma. It is perfumed with pure coffee essence backed up with a "nose" of many spices. Reputed to be the most expensive snuff in the world.

**GOLDEN CARDINAL**

This fine milled snuff is made from especially selected leaves from the Americas and then carefully blended to maintain both colour and texture.

**GEORGE IV**

A fine milled snuff having a refreshing spicy flavour predominately almond.

**KENDAL BROWN**

Rich dark and course milled, blended & flavoured to the original 1791 recipe.

**PRINCES DARK**

One of the oldest snuffs still in production, this snuff dates back to the Regency days when it was a favourite of the prince regent. A flavoured moist dark, almost black snuff. Course milled.

**SPANISH**

A pungent unflavoured snuff prepared for the connoisseur.

**SPECIAL MENTHOL**

Strong and full of character. Ideal for giving relief from catarrh.

**S.P. BEST**

A pungent unflavoured snuff carefully fine milled and sieved to assure a perfect even texture.

**TOP MILL**

A blend of moist and dry snuffs retaining the virtues of both.

**WILD STRAWBERRY**

A light medium milled snuff flavoured with natural oil of strawberry.
